
MEMORANDUM

TO: Planning Commission

FROM: Stephen Henrichsen, Planning

SUBJECT: *Background Information on Commercial Centers*

DATE: April 12, 2006

COPIES: Planning staff
City Council

For your discussion today on "Neighborhood Centers" we have the following background information on commercial centers in Lincoln.

Summary of 2025 Lincoln/ Lancaster County Comprehensive Plan text, pages F 43- 47.

"For the purpose of the Comprehensive Plan, Commerce Centers have been divided into three separate size categories. The size differences reflect the differing impacts that the centers have on adjacent land uses and the public infrastructure. The three categories of Commerce Centers are:

- 1 - Regional Centers*
- 2 - Community Centers*
- 3 - Neighborhood Centers"*

Regional Centers

"typically contain one million or more square feet of developed building space. ...Many Regional Centers are large scale retailing centers that include a mall with several department store anchors and numerous small shops, as well as adjacent commercial development with stand-alone restaurants and stores, such as Gateway or SouthPointe Pavilions."

Community Centers

"may vary in size from 300,000 to nearly a million square feet of commercial space. Typically, new Community Centers will range from 300,000 to 500,000 square feet... tend to be dominated by retailing and service activities, although they can also serve as campuses for corporate office facilities... One or two department stores or "big box" retailing operations may serve as anchors to the Community Center with smaller general merchandise stores located between any anchors or on surrounding site pads, such as Edgewood Shopping Center at S. 56th and Highway 2.

Neighborhood Centers

"typically range in size from 150,000 to 250,000 square feet of commercial space. Existing centers may vary in size from 50,000 to 300,000 square feet... Neighborhood centers provide services and retail goods oriented to the neighborhood level, such as Lenox Village at S. 70th and Pioneers Boulevard, and Coddington Park Center at West A and Coddington."

On the following pages are examples of neighborhood centers and individual stores of various sizes.

Table 1
Neighborhood Centers in 2025 Comprehensive Plan

<u>Location</u>	<u>Major Tenant/ Name</u>
N. W. 48 th & West Adams	Unbuilt (Ashley Heights)
Coddington & West A St.	Russ's Market
